January 2019 **Guatemala Mission Needs**

Nawal Estereo:

- The radio station is in urgent need of a **new (or used) truck** which would be used for broadcasting teams. They currently have no truck because their old truck "died". They often have multiple places to be at once so often need two vehicles. $23,000 for new truck

- Change transmitters to digital About $8000 for each one

Santa Catarina Church in Ixtahuacan:

- **Roofing for the Church**: Members of the Parish Council requested help for the roof of the church which leaks. They have recently completed tiling of the church floor and do not want it damaged by rain. More importantly, the church itself needs to be stabilized.

- **Religious Education Building**: Stabilization of the old building which the program uses has been completed. More funds are needed to replace the roof and ceiling. $12,400

- **Replacement of Marian Center patio roof –** it is blowing off.

Ixtahuacan Basico School: They need potable water. They are working to get enough pipe to bring water into the school. They also need donations to continue their internet connection – they are not able to use it now, although they have a projector and two-three computers.

Soccer Field in Ixtahuacan: This is the recreational center of not just the town of Ixtahuacan but for the many surrounding communities. The field is used continually by children and adults. Renovation has included fencing (to keep trash from blowing on the field) and a lawn mower. Next steps are creating a drainage system, leveling the field, adding seating area for spectators, and remodeling the basketball court above the field.

Colegio Nahuala (Catholic school in Nahuala)

- Funds to bring **staff salaries** up to the standard of public school salaries.

St. Joseph's Minor Seminary in Solola:

- 40 student desks $95 each
- Remodel bedrooms – they are 25 years old. They need to update flooring, ceiling, lighting and beds. There are 5 dormitory rooms and each will cost about $3000.

Medical Clinics

- Funds to help with purchase of medicines for all four medical clinics.
