

Do you have a passion for education and innovation? Do you enjoy teaching children in a classroom setting? Are you looking to inspire the next generation of problem-solvers and inventors? Do you want to make a difference! Do you enjoy the freedom to teach?

St. Thomas More Catholic School is looking for a passionate, engaging, student success driven, relationship-oriented teacher to be part of our exciting and continually growing Pre-K to 8th grade C+STEM program. Creative, “outside the box” thinking educators, and those with an experience in STEM fields (coding, engineering, robotics, etc) are ideal candidates, but those eager to learn and passionate about Science teaching are encouraged to apply.

St. Thomas More Catholic School is one of the preeminent PK-8 Schools in Spokane, WA. Our students are empowered and encouraged to reach their full potential as unique creations of a Loving God. We are innovative in our programs and strong in our academics as we nurture a community of support between children, their families, the faculty, and the parish community at large. We are a fully Accredited school by the WCEA. We are the only school in Spokane to have: An integrated STEM program whose curriculum spirals through the grades; a 4-day Residential Outdoor Education program at a Washington Environmental Learning State Park; a comprehensive Christian Living Curriculum that includes four retreats in 7th grade and 8th grade respectively; a Spanish Language Program; and an active partnership with Catholic Charities Spokane, inspiring students to serve and care for their community. Historically 96% of our graduates enter a college or university. Once a family is involved in this community we have a 97% retention rate.

This is a full-time position. Washington State Teacher certification required. The position is for the 2019-2020 Academic Year but possibility for employment in the Spring of 2019 is possible.
